

Best Beginnings Enrollment T&C Addendum

Welcome to The Birds Nest!

We are happy to enroll families who qualify for or who are in the process of applying for the Best Beginnings Scholarship that is available through The Nurturing Center.

For families who do not qualify or who have been placed on the waiting list, we hope to be able to offer some assistance through our **Volunteer Credit** program and our flexible schedule options that allow families to only pay for what they need!

For families who do qualify for Best Beginnings Scholarship funds, we would like to remind you of the following details that can easily get lost in the shuffle and cause financial hardship if overlooked.

- You are responsible for turning in all required documents in a timely manner to avoid delay or lapse in scholarship coverage.
- You are responsible for any tuition and fees that the BB funds do not cover, including your copay.
- Scholarship funds do not apply to your account until they are deposited into The Birds Nest account – usually by the 10th of the following month.
- Your initial BB Scholarship may take up to 6 weeks to deposit – you are responsible for making all prepay payments in full and on time (no estimated BB Scholarships will be applied to the account).
- During the initial 3 to 6 weeks of enrollment, weekly payment arrangements may be set up if needed. After the initial 3 to 6 weeks, payments will return to being due on the 1st and/or 15th of each month.
- You are responsible for communicating any expected financial hardship as soon as possible. We are happy to proactively assist you in finding solutions – temporary reduced schedule, Volunteer Credit opportunities, or other community resources may be available.

The signatures below indicate agreement with this addendum, financial obligations, and with the written policies of The Birds Nest (contained within enrollment documents and handbook). The provider may change policies and tuition rates at any time, as needed, and with advance written notice.
